Tomer Epshtein

Digital Artist

About Me

Creative Compositing Artist with a keen eye for detail and a strong background in Film, TV, Advertising, and Gaming. Experienced in leading teams and leveraging emerging AI technologies to streamline creative pipelines. Currently pivoting into Creative Product Management to combine people management skills with a passion for building AI-enhanced, user-focused experiences.

Experience

Moon Active, Tel Aviv, IL

Sep 2023 - Jan 2026

Senior Compositor

- Delivered advanced compositing work for the Marketing Art Department, ensuring high-quality visual content aligned with brand standards.
- Collaborated with various games teams to deliver promotional materials, implementing AI-driven workflows that optimized production cycles and scaled creative output.

Framestore, London, UK

Mar 2023 - Aug 2023

Lead / Senior Compositor

- Led and managed compositing tasks for multiple high-profile commercial projects, ensuring seamless integration of visual effects and live action footage.

Freelance Artist, London, UK

2017-2023

Senior Compositing Artist

- Delivered high-quality compositing work on diverse projects across TV, film, and commercials for leading vfx studios such as One of Us, Blue Bolt, The Mill, Untold Studios, Electric Theatre Collective, Black Kite, Nineteen-Twenty, Coffee & TV, and Nexus Studios.

Freelance Artist, Berlin, DE

2015-2017

Senior Compositing Artist

- Delivered high-quality compositing work on diverse projects across TV, film, and commercials for leading vfx studios such as Rise Visual Effects, Morro Images, Movie Brats Films and Animation, bitteschone.tv, and nhb studios

Snowball Studios, Tel Aviv, IL

2014-2015

Lead Compositing Artist

- Led a team as Lead Compositor on a full-length Israeli feature film, managing CG and live-action integration while overseeing look development, technical solutions, and project coordination with multiple departments, including Lighting, to ensure consistent character appearance.
- Delivered high-quality digital compositing for various commercials for leading brands including Subaru, the National Lottery, and Igud Bank.

Animated Storyboards, Tel Aviv, IL

2013-2014

3D and Motion Graphics Artist

- Created high-quality 3D previsualization assets for worldwide commercials, collaborating with leading global brands to develop compelling storytelling through motion graphics.

Shortcut Playground, Tel Aviv, IL

2012-2013

3D and Motion Graphics Artist

- Created 3D and motion graphics content for promotional materials for the main cable channel "HOT," ensuring visually engaging and high-quality deliverables.
